PART D - BOUNDARY AND PLAYING RIGHTS POLICY FOR SCBA

D1 Definitions

1. Local Association: when referring to a Local Association as a geographic location, the interpretation is the main village or town of the Local Association. It is often the same name as the Local Association. When it is not the same, the SCBA Executive will designate the main town of the Local Association.
2. Active Centre: a Local Association that operates a team in a given series.
3. Resident: a player who resides within the urban area of the main town of the Local Association, specifically, the player has a residential address in town.
4. Non-resident: a player who does not reside within the urban area of the main town of the Local Association. The player has a rural address (R R #) or a residential address in a village or town that is not the main town of any Local Association, but is within SCBA territory.
5. Distance: when referring to distance for closest team, distance shall be interpreted as the distance from the player's home to the relevant teams' home baseball diamond as the crow flies.

D2 SCBA Residency Policies

1. **Player Must Play In Hometown**: A player who has an urban address within the main community of the Local Association must register with that Local. If there is a doubt as to what the community is the "main" community, then the SCBA Board of Directors will determine it.
2. **Internal 5km Rule**: If a player has a rural address (R. R. #, etc) or resides in a community that is NOT the "main" community of any Local Association, then the player may sign with the closest Local Association to his/her residence **OR** with any other SCBA Local Association that is not more than 5 km.

EXAMPLE: if a player lives 4km from town A, 7km from town B and 11km from Town C, then the player may play in either town A or Town B, but not Town C as it is more than 5 km further than Town A (nearest town), see D1: Definitions (5) for determining distance.

3. **External 5km Rule** – If a player has a rural address, (R.R. #, etc) or resides in a community that is NOT the "main community of any Local Association, then the player may sign with any SCBA Local per the above internal 5km rule OR may sign with a Local Association outside the Affiliate boundaries of SCBA under the following condition: If the distance to the closest SCBA Local Association is 5km or more further than the Local Association in another affiliate, the player may play in the other affiliate after securing an Affiliate release.

D2 SCBA Residency Policies (continued)

EXAMPLE: If a player lives 16 km from town A in another affiliate, and lives 20km from town B in SCBA, then the player will play for Town B in SCBA. If town B were more than 5km further (more than 21km away) then the player could play in Town A without release.), see D1: Definitions (5) for determining distance.

4. Once a player signs with a Local Association, the player shall remain a member of that Local Association unless:
 - a) The original signing was not legitimate, and it was later discovered that the player should have signed elsewhere.
 - b) The player's family makes a legitimate move and the new residence does not qualify the player to continue to play for that local. NOTE: The player may elect to play for the original but is not obliged to.
 - c) The player is properly released according to SCBA and OBA rules.

D3 Internal Permission to Tryout

Permission to Tryout forms are only permitted between local associations within the SCBA Affiliate boundaries. For any player looking to play outside of SCBA Boundaries a Local Association and Affiliate Association Release is required (See Section D4)

1. If a player wishes to practice or tryout with a SCBA team that does not hold their playing rights, the player must first secure a written permission to tryout from the SCBA Local Association that does hold their playing rights. The local association will issue the written permission to tryout to the Coach of that team and the player requesting such. The format of the permission to tryout is set forth by SCBA.

Explanation: for the purposes of this rule, minor (e.g., 7U, 10U, 12U, 14U, 16U) is not defined as a separate series from major (e.g., 9U, 11U, 13U, 15U, 18U). If a combined minor/major program is offered by a Local Association, then the Local Association is considered to have a team at the particular series. The player is expected to return to his/her Local Association.

2. If the Local Association that holds playing rights does not plan to operate a team in the player's age group, playing rights are transferred for that year to the Local Association(s) for which the player qualifies under the SCBA residency policy.
3. This policy applies to all players trying out for Tier 1 or Tier 2 teams.
4. The permission cannot be withheld by the Local Association, if the player does not need a release to play for the other Local Association, according to the SCBA internal Release Policy.
5. Families seeking a Permission to Tryout form must contact the Local Association that holds their playing rights. The written permission must be presented to the coach or other representative of the other Local Association before the player can practice or tryout.
6. Any disputes may be appealed to Southern Counties.

D4 Release Policies

All release requests will be considered individually on its own merits. If a release is granted based on misleading or false information, SCBA reserves the right to revoke the release.

For Reference Only - Affiliate (External) Release

Adopted January 31st, 2021

Subject to revision from time to time, as needed.

Different Policies govern releases depending on whether the release is from one SCBA local to another SCBA local (internal release), or whether it is from SCBA to another affiliate (external release).

The information in this table, does not form part of the SCBA Constitution. It is a summary of the process that the SCBA follows when considering the Affiliate Release Policy. As a policy it is amended from time to time.

Process:

1. If a SCBA player wishes to play for a Local Association, in an OBA Affiliate other than the SCBA, the player must first request a Release from the Local Association that holds their playing rights.
2. If the request for an Affiliate Release is denied by the Local Association, that decision may be appealed to the SCBA Executive.
3. If granted by the Local Association, then a request for an Affiliate Release must be made in writing to the SCBA Secretary. Notwithstanding the External 5km Rule, the SCBA policy is to deny an Affiliate Release.
4. To appeal the local, and/or SCBA decision, to deny an Affiliate Release, the parent and/or guardian of the player must submit in writing, to the SCBA Secretary, the justification for said request. They are also required to submit;
 - a) a summary of facts & the reason why an Affiliate Release should be approved for the player,
 - b) all related correspondence between all parties involved in the local decision rendered, and
 - c) a non-refundable \$100 processing fee.
 All documentation must be received by the SCBA Secretary five (5) days prior to the date of the Appeal Hearing. No additional materials can be tabled after this date.
5. If the release is denied by the SCBA, then it may be appealed to the OBA.

Policy:

1. SCBA will NOT grant an Affiliate Release to a 11U Player or younger, unless there are exceptional circumstances. A player's ability is NOT considered exceptional circumstances.
2. For 13U Players or older, a player may be released to play for a recognized Tier 1 program, if there is no Tier 1 team in SCBA that is no more than 5km. further from the player's residence than the association he wishes to play for (external 5km rule is applied to Tier 1 teams).
3. Affiliate Releases will not be granted if a player has the option to play locally within Southern Counties, with a team of the same Tier 2 designation, unless there are exceptional circumstances. A player's ability is NOT considered exceptional circumstances.
4. The external 5km rule will apply in most other cases, based on what teams are in a given series.
5. All external releases must be approved by the SCBA Board and reported to the SCBA registrar, or its designate(s).

D5 Internal Release Policy

1. If a player wishes to join a different Local Association within SCBA, the player must procure a written release from the Local that holds playing rights, and from any other local that is closer to the player's residence than the Local Association he wishes to play for, see D1: Definitions (5) for determining distance.
2. A 11U Player or older may play on loan with another Local Association within SCBA that operates a recognized Tier 1 team (recognized by the SCBA Board) in the player's age group. No release is required, but playing rights remain with the home local. A permission to tryout form must be obtained each year to allow the player to tryout.
3. If a local Association operates a Tier 1 and not a Tier 2 team in a given series, then some players from the Local that operates the Tier 1 team may not be selected for the Tier 1 team or may not wish to play for it. These players may play on loan to another SCBA local according to the Internal 5km rule. There is no transfer of playing rights and a written Permission to Tryout from must be obtained each year.
4. If more than one Local Association operates a recognized Tier 1 team, then the internal 5km rule applies between those locals.
5. All internal releases must be reported and approved by the SCBA registrar. The release will be included on the players OBA online file, including the date and authorizing party.

D6 Tier 1 Policy & Voting

1. The SCBA Tier 1 Policy (appended to the Constitution) will set forth the process for determination & designation of a Local Association as a host for a SCBA Tier 1 team(s).
2. A Local Association can submit an application to the SCBA Executive for consideration to host a Tier 1 team(s) provided they have adhered to the SCBA Tier 1 Policy.
3. A Local Association cannot declare a Tier 1 team before receiving written approval by the SCBA Executive.

Subsequent additions and changes can be handled through email or by the Local Registrar entering the information into the OBA web site data base.
9. Each team's roster with parent/guardian signature and necessary birth documentation must be completed in full and in the possession of the SCBA Registrar prior to the team's first scheduled regular season game.
10. Failure to comply will result in the forfeiture of each scheduled game and a \$5 per day fine to the Local Association, starting the day after the first scheduled game for each team that does not comply. Birth record documentation must be submitted only if the player is 21 years or younger and does not have an OBA Identification number. Documentation is normally a photocopy of the Birth Certificate (see OBA Rule P 1-2 for details.) Each Local Association must have its own Registrar, who is the sole contact for the SCBA Registrar.

- b) To set up the play-offs for their respective series by the 3rd weekend in June.

Before posting to the SCBA website the Series Convenor will verify that the Visiting Coach has signed off on the official scoresheet, which shall include pitch counts.
Failure of the Home Coach to forward this information within 24 hours of completion of the game to the Series Convenor will result in a fine of \$50 to Home Coach Association. Each Team within that series will be allowed one grace.

3. Verbal permission must be obtained from the Secretary to play in Exhibition games outside of SCBA.

E5 Rescheduling/Make-up Games

1. When a game is postponed, the Home Team must advise the Series Convenor within 48 hours of the reason of the postponement. If the home team is not an SCBA team, the visiting team must notify the Series Convenor.
2. Within 7 days, the home team must propose a suitable date for the game to be played. Once a re-scheduled date is agreed on, the Series Convenor must be notified.
3. If, within 2 weeks from the scheduled date of the postponed game, the teams have not set a re-scheduled date, then the Series Convenor will at his/her sole discretion determine the time and place for the game to be played. This timing may be compressed at the end of the season and during playoffs.
4. Violation of this section or failure to comply with the Series Convenor will result in a forfeiture by the offending team or teams. Also see (e) below.
5. Each team must fulfill as much of its regular season commitment as possible to qualify for Classification in the OBA Championship and to qualify for the SCBA Championship. Questionable situations will be reviewed by the Series Convenor and the SCBA Executive. A team completing less than 80% of its regular season commitment, including Interlock games, will be automatically reviewed at the Classification meeting and at the end of the regular season. Both forfeits and unplayed games will be considered.
6. If a team forfeits 3 games in a season, it shall be suspended for the remainder of the season and forfeit \$100 bond. The Local Association has 7 days to replace the bond. Failure to field a team at the beginning of the game is the forfeiture that will be used to calculate the 3 forfeiture rule.

E6 Protests

1. All protests must be filed personally and in writing to the Secretary within 48 hours of the scheduled time of the game that is being protested, and must be accompanied by a deposit of fifty dollars (\$50) per protested item. The Secretary will inform the protested team immediately.

3. Both teams and the umpires of the game in question will be invited to attend the meeting to give accounts. The committee's decision will be final.
4. If the protest is refused, the \$50 fee submitted by the protesting team will be forfeited; if upheld, the \$50 will be returned. Also, if the protest is upheld, the protested team may be fined. Such a decision is to be made by the Executive. The protest committee will be asked to order what follow-up action, if any, is to be enforced (eg. Replay the game, or continue the game from a certain point, etc.) Any and all fines levied are to be paid before the team plays its next game. Mileage will be paid to the protest committee members at a rate determined by the board annually.
5. The protest committee will be comprised of one appointed person from each local association. Three impartial members of this committee will sit on each protest. Fee must be received at time of protest, even at tournaments. Protests at a tournament cannot be overturned. Costs will be paid by the losing association.

2. All classification information for each Local Association (League Record, tournament Records etc.) are to be submitted to SCBA Executive by June 30th. When considering approval of a classification request, the members present should be guided by the team record (league and tournament) and its ability to be competitive at a given classification.
3. Classification will be **determined by the board, ideally in early July**. If play-offs are necessary the scheduling will be (time permitting):
 - a) If two teams - single best-of-three series.
 - b) If three teams - the team with the highest SCBA standing at the time of the final classification being released by the OBA, will receive the bye, while the next two highest teams in the SCBA standings play a best-of-three series. The winner will meet the team which received the bye in a best-of-three series if only one classification spot is available to SCBA.
 - c) If four teams - the team first in the standings will meet the team fourth in the standing in a best-of-three series as will the second and third place teams, standings used at the time of the final classification being released by the OBA. The winners will meet in a best-of-three series, if only one classification spot is available to SCBA.
 - d) If five or more teams - the winner will be determined in a double-elimination tournament. Tournament entry fees will be determined by the Executive annually.
4. In classification play, tie games will be played in their entirety.
5. Classification play will begin at the first available park of the teams involved. Series convenor is to come up with a method to determine which team hosts the third game, prior to the series start.

10. In the Minor series, each team must have fulfilled as much of its regular season commitments as humanly possible (questionable situations will be solved by the Executive) to qualify for league play-offs and OBA classification. League play-offs must not be delayed while teams finish regular season games that will make no difference in the standing. Because of drastically varied number of teams entered at the various minor levels from year to year, a special meeting will be held annually with the Executive and the Minor Convenors to classify all Minor teams. The right to appeal will be as described in Rule 6 under "Classification".
11. Any team in the minor division failing to meet their OBA classification commitment within SCBA shall be fined \$150.

Example: This will happen only when a team has put its name in for classification and then backs out of a 2 of 3 round or tournament. Teams will have until midnight of the day of the SCBA classification meeting to back out without liability of fine. They must notify their Series Convenor.
12. If a local SCBA team does not fulfill their regular season commitment, because they have decided to play outside of a SCBA league (eg. LDBA or ICBA), the lowest classification that team would be able to classify at is the "B" classification.

4. Subject to the annual decision of the Board, either a tournament or playoff format may be used to determine the SCBA Champion in each series. This decision will be made at the annual scheduling meeting and will include the setting of the location of the series and the entry fee.

When possible, a tournament featuring all SCBA teams will be used in the 11U and 13U series.

In the situation where a tournament is utilized, it will be an OBA-style double elimination tournament involving all league teams. Teams will be seeded according to standings and the first round pairings should match the highest and lowest progressively. A match up of the 1 and 2 seeds in the second round should be avoided, if possible.

5. Time limits are not permitted in tournament or playoff games. A curfew must be stated at ground rules.
6. For Classification Playoffs, each series shall be 2 out of 3, played at the first available park, with the higher seed hosting any deciding game. This decision will be made by the Executive, with input from the Series Convenor when applicable, with ample time before declaration of classification.
